

HANSON COUNTY DRAINAGE BOARD
MINUTES OF PROCEEDINGS
Thursday, September 23, 2021

Chairman Kjetland called the meeting of the Hanson County Drainage Board to order on Thursday, September 23, 2021 with members Bumgardner, Fox, Schoenrock and Waldera present. The Drainage Administrator was also present.

Motion Waldera, seconded by Fox to approve the agenda.

Motion Waldera, seconded by Schoenrock to approve the September 7th meeting minutes.

No citizens input.

Motion Schoenrock, seconded by Bumgardner to approve a permit for Marty Christensen to tile in the NW4 of 5-103-59 as the following conditions have been met: Project does not affect govt property; does not drain a fish or wildlife lake; does not impact a meandered lake; does not affect another county; converts noncontributing land to contributing land; erosion is minimal; water quality and supply will benefit; ag production will increase; environmental quality will be better; aesthetics will be improved; no fish and wildlife values will be affected; receiving watercourse does have sufficient capacity; drainage is a reasonable improvement; drainage is a reasonable artificial drain system; amount of water drained is reasonable; design and aspects of the drain are acceptable; sustained flow will be acceptable. Motion carried.

Motion Fox, seconded by Waldera to approve a permit for Greg Pullman to tile in the NW4 SW4 of 33-101-57 as the following conditions have been met: Project does not affect govt property; does not drain a fish or wildlife lake; does not impact a meandered lake; does not affect another county; converts noncontributing land to contributing land; erosion will be minimal; water quality and supply will be better; ag production will increase; environmental quality will be better; aesthetics will be better; fish and wildlife values will not be affected; receiving watercourse does have sufficient capacity; drainage is a reasonable improvement; drainage is an acceptable artificial drain system; amount of water drained is reasonable; design and aspects of the drain are acceptable; sustained flow is reasonable. Motion carried.

Contingent on Hutchinson County approval, a motion was made by Fox, seconded by Schoenrock to approve a permit for Oaklane Colony to tile in the SW4 of 29 and SW4 of 32-101-57 as the following conditions have been met: Project does not affect govt property; does not drain a fish or wildlife lake; does not impact a meandered lake; it will affect another county; converts noncontributing land to contributing land; erosion is minimal; water quality and supply will have minimal affect; ag production will increase; environmental quality will improve; aesthetics will improve;

no fish and wildlife values will be affected; receiving watercourse does have sufficient capacity; drainage is a reasonable improvement; it is a reasonable artificial drain system; amount of water drained is reasonable; design and aspects of the drain are acceptable; sustained flow will be acceptable. Motion carried.

A list of permits approved by the Drainage Administrator was presented to the Board for review.

Eliot Hanks joined the meeting. The pond he has constructed is on his personal property and does not affect the right of way. No permit will be required.

The use of plastic culverts was discussed and will need to be incorporated into the drainage ordinance for approved use. Ditches along the Plano Road (247th St.) were discussed and conversation will take place to resolve the issues.

As there was no further business before the Board, a motion was made by Waldera, seconded by Schoenrock to adjourn meeting. All voted aye, motion carried.

Bruce Kjetland, Chairman
Hanson County Drainage Board
