

HANSON COUNTY DRAINAGE BOARD
MINUTES OF PROCEEDINGS
Tuesday, October 4, 2022

Commissioner Fox called the meeting of the Hanson County Drainage Board to order on Tuesday, October 4, 2022 with members Bumgardner, Kjetland, Schoenrock and Waldera present.

Motion Kjetland, seconded by Schoenrock to approve the agenda. Motion carried.

Motion Schoenrock, seconded by Waldera to approve the September 20th meeting minutes. Motion carried.

Conflict of Interest: Waldera, personal reasons.

Bryce Gillen, Gridline, was present to explain all of today's permits.

Motion Kjetland, seconded by Schoenrock to approve drainage permit #22-30 for Rigg's Farms Inc. to tile in the NE4 21-102-58 as the following conditions have been met: project does not affect govt property; does not drain a fish or wildlife lake; does not impact a meandered lake; does not affect another county; converts noncontributing land to contributing land; minimal erosion; water quality and supply will improve; ag production will increase; environmental quality will improve; aesthetics will improved; no fish and wildlife values; receiving watercourse has sufficient capacity; drainage is a reasonable improvement; drainage is an acceptable artificial drain system; amount of water drained is reasonable; design and aspects of the drain are acceptable; sustained flow is acceptable. Waldera abstained for personal reasons, all others voted aye, motion carried.

Motion Kjetland, seconded by Schoenrock to table the permit for Ron Rose to tile in 14-101-58 until the permit is filled out correctly. All voted aye, motion carried.

Motion Bumgardner, seconded by Kjetland to approve drainage permit #22-32 for Ron Rose to tile in the SW4 21-101-58 as the following conditions have been met: project does not affect govt property; does not drain a fish or wildlife lake; does not impact a meandered lake; does not affect another county; converts noncontributing land to contributing land; minimal erosion; water quality and supply will improve; ag production will increase; environmental quality will improve; aesthetics will improved; no fish and wildlife values; receiving watercourse has sufficient capacity; drainage is a reasonable improvement; drainage is an acceptable artificial drain system; amount of water drained is reasonable; design and aspects of the drain are acceptable; sustained flow is acceptable. Waldera abstained for personal reasons, all others voted aye, motion carried.

Motion Kjetland, seconded by Bumgardner to approve permit #22-33 for Ron Rose to tile in section 9-101-58 subject to township approval and signatures and as the following conditions have been met: project does not affect govt property; does not drain a fish or wildlife lake; does not impact a meandered lake; does not affect another county; converts noncontributing land to contributing land; minimal erosion; water quality and supply will improve; ag production will increase; environmental quality will improve; aesthetics will improved; no fish and wildlife values; receiving watercourse has sufficient capacity; drainage is a reasonable improvement; drainage is an acceptable artificial drain system; amount of water drained is reasonable; design and aspects of the drain are acceptable; sustained flow is acceptable. Waldera abstained for personal reasons, all others voted aye, motion carried.

As there was no further business before the Board, a motion was made by Kjetland, seconded by Waldera to adjourn meeting. All voted aye, motion carried.

Curtis Fox, Chairman
Hanson County Drainage Board
